

Zayka Token

White paper

V 1.0

Story

16.10.2014 The first video with Zoobe Zayka was created and download on channel [Youtube.com/123megapes](https://www.youtube.com/123megapes)

At 2.03.2019 Zayka has an audience of over 500 thousand subscribers on the main channel, totally more than 1 million on all Youtube channels and more than 500 thousand subscribers on the official resource VK vk.com/zoobecom

Zayka Token

Was created more than 20 000 000 Zayka Tokens, they use ERC 20 contract. Zayka Token created for a speculative purpose, and also intended for fans of the character Zoobe Bunny.

Contract adress:

0xffb5531e6a916d228958016441146299ab5eddd0

Distribution

All 100% of tokens are subject to gradual sale through exchanges, the full list of exchanges will be displayed on the website zaykatoken.info

Ways of development

1. A gradual listing of Zayka Tokens is planned for all available exchanges.
2. The options for creating online stores selling souvenirs with the symbols of Zoobe Bunnies with the calculation of cryptocurrency are considered Zayka Token.
3. Create own wallet for Zayka Token

Direct all suggestions and ideas for the development of the project to zayka@zaykatoken.info
